**STATEMENT TO SUPPORT SEQUENCE LISTING SUBMISSION**

Dear Sir/Madam:

Applicants respectfully submit that the paper copy of the Sequence Listing filed on June 27, 2006 in the above-referenced application is identical to that in parent application serial number 09/181,311, filed on October 28, 1998, of which the above-referenced application is a continuation under 37 C.F.R. § 1.53(b). Accordingly, Applicants rely on the computer readable form, required by 37 C.F.R. §1.821(e), which was submitted in application Serial No. 09/181,311 in lieu of filing a duplicate computer readable form, as permitted by the applicable regulation 37 C.F.R. §1.821(e).

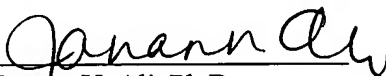

In accordance with §1.821(f), I hereby state that the paper copy of the Sequence Listing filed on June 27, 2006, and the computer readable copy of the Sequence Listing submitted on October 28, 1998, in the parent application having Serial No. 09/181,311, are the same.

In accordance with §1.821(g), I hereby state that the sequences contained in this sequence listing are supported in the application as filed. Neither the paper copy, nor the computer readable form of the Sequence Listing contains new matter.

Any questions arising from this submission may be directed to the undersigned at (617) 832-1000.

Respectfully submitted,
